Dear Valued Customers,

**Subject: Bangladesh – Advanced Import Manifest Effective 1<sup>st</sup> July 2019**

We would like to express our sincere gratitude to your continuous support to us. For your best arrangement of shipments, please be informed of the new regulation announced by Bangladesh customs for Advanced Import Manifest.

- Bangladesh Custom Act - complete electronic customs manifest has to be submitted 24 hours prior to a vessel's anchor is dropped at the outer port of POD.
- New regulation will be strictly applied for all vessels ETA Bangladesh on or after **1<sup>st</sup> July 2019**
- **Complete and Accurate Shipping Instruction for B/L and Manifest must be submitted to us based on local SI Cut Off or at least 24 hours before sailing Port of Loading**
- **Any delay and discrepancies on import manifest may lead to customs fines and clearance block, to the account of customers**

We appreciate your focus and cooperation to provide timely and complete shipping instruction for our effective workflow complying destination customs regulations. Please feel free to contact our local agencies for any further assistance and booking or visit our website [www.emiratesline.com](http://www.emiratesline.com) for detailed schedule and cargo tracking. We are looking forward to your kind understanding and continuous partnership with us.
